

ACTIVITY SURVEY FOR SENIORS 2022
Sponsored by Jene Wah, Chinese Benevolent Association
and Chinese Cultural Society

Jene Wah, Chinese Benevolent Association and the Chinese Cultural Society would like to hear from you regarding activities you would like to see offered in San Joaquin County. All three organizations provide a variety of services, cultural activities and classes. San Joaquin County has funded a pilot grant for 2022-23 to expand the number of activities offered to adults above 50 years and a few for younger individuals. The information gathered will be used by a Coordinating Council of the three organizations to plan activities and services that will be presented from January through June 2023. If you have any questions, please call Jene Wah at **209-463-7654**.
